Make a Lasting Impact on the Lives of Children

Your gifts to the endowment of the Indiana United Methodist Children's Home Foundation help the Children's Home enrich every aspect of teaching and learning on our campus. The generosity of donors allows the Home's Board of Trustees and the Board of the Foundation to prepare for a time when government dollars may be reduced or no longer be available to support children in our faith-based program.

Endowment gifts also support future expansion of our successful Teaching Family Model, allowing our Home to support additional children in need of our services.

Commemorative gift opportunities offer our friends numerous ways to establish named gifts as memorials and testimonials to family and friends. Such gifts embody the donor's ideals, allowing the donor to leave a legacy of support to ensure a strong future for the children we serve.

The following opportunities are humbly presented as recognition of generous gifts. These gifts can be a combination of pledges over several years, or combination of gifts now and legacy gifts in a donor's estate plans.

Named Recognition on a Teaching Family Training Center
A lead gift is needed to begin the planning for a new training center that would become a modern building for specialized instruction for staff family teachers, families of our youth and other youth service providers on the acclaimed Teaching Family Model. The Center would also include a Board of Trustees meeting room, administrative support offices, a reception area, and a staff kitchen.
