

### *January Prayers of Hope*

Dear Friends,

*Dear Lord:* We pray for nine students who begin studying for their TASC exams (high school equivalency). Please help them find the confidence to begin a process that is unfamiliar to them. Help them to understand that passing the test is a positive step toward their independence and success. We pray for the TASC teacher as she provides guidance and motivation while the youth prepare for the exam. With Your steadfast love and guidance, they will gain the strength and knowledge to succeed. In Your name we pray, *Amen*

*Almighty God:* Rick is having difficulty being away from his biological brother who lives 1,500 miles away. Rick has become depressed since they have not seen each other in more than a year. We ask You Lord to help Rick have faith that they will be reunited in the coming months. Please guide Rick during this difficult time as he feels afraid. Help him have patience until his is reunited with his brother. In Your name we pray, *Amen*

*Lord:* We pray for Your Holy power. Bethany was recently released from the hospital and she is frightened about her recovery process. Lord, You are the ultimate healer. Wrap Your loving arms around Bethany as she heals. Please erase her fear as our family teachers surround her with love. In Your name we pray, *Amen*

*Dear God:* Jana has found a new and exciting hobby in quilting. Thank You for guiding her toward a hobby that brings her great joy and therapeutic value. Jana came from an abusive home and she previously had a hard time relaxing and finding tranquility. Lord, through Your direction, Jana has found that quilting brings her great comfort. Please continue to show Jana how important it is to find joy in everyday living. In Your name we pray, *Amen*

*Dear Lord:* We celebrate the hard work of Rosa, Justin and Sonia. During the final six weeks of 2020, they had no late homework which was a major achievement and accomplishment. Lord, we are grateful for Your guidance in helping them understand the importance of deadlines and responsibility. Continue to lead them down a successful path and instill in them a passion for learning. In Your name we pray, *Amen*

*Almighty God:* We pray for Amy and Derrick as they have been selected for leadership roles on the Home's James E. Davis School Student Council. Lord, we ask You to help Amy and Derrick discover their leadership skills and help them to gain confidence and self-esteem. Let them know that when they trust in You, all things are possible. In Your name we pray, *Amen*
