Dear Friends,

Thank you for lifting up the youth at Indiana United Methodist Children's Home in prayer. The Bible tells us about the power of prayer. Philippians 4:6 says, "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

*For privacy reasons, we have changed the names in each prayer...but God knows exactly who they are and what they need!*

*Dear Lord:* We pray for safe travel as our youths go to Kings Island at the end of the month. We ask that You bless them and protect them as they travel. We pray they will encounter Your presence and peace as they experience this new adventure. Let there be harmony and joy throughout the day. Please keep them safe and secure as they travel to and from. *Amen.*

*Dear God:* We pray for Samantha, Tori and Charles. They are new students at the Home this month. Please help them feel welcomed at the Children's Home. We know through Your love and compassion, they will find comfort in knowing that hope for a better future is right around the corner. We give thanks for the mercy, compassion, and kindness You show them as they adjust to a new environment. You are the light of the world, God. Thank You for giving Samantha, Tori and Charles a chance to heal. *Amen.*

*Dear Lord:* We pray for Tyler. He is worried about the safety of his cousin who joined a gang. Tyler wants to help but distance makes it impossible. Please direct Tyler's cousin

on to a safer path. Help Tyler realize that everything is in Your hands. Wipe away his concerns, Lord, and give him the strength to live each day without worry. *Amen.*

*Heavenly Father:* August 8th will be the first day of school for our youths. We pray that they feel refreshed and renewed after a great summer and are ready to do their best during the upcoming trimester. Please be with our teachers. Guide and inspire them as they help our youths work toward earning their high school diploma. In Your Name we pray, *Amen.*

*Dear God:* We pray for Your healing power. Gina had an allergic reaction to a bee sting, and she is afraid it might happen again. We are grateful for the staff and doctors who helped Gina get through a health scare. You are the ultimate healer God. We have faith that You will provide the medical care she needs. Please remove her fear and anxiety as she heals. In Your Name we pray, *Amen.*
